

## CLARK COUNTY PUBLIC WORKS PROJECT LISTING

*Disclaimer: This listing is for general information purposes only. Not to be used as a formal planning document. ID, project scope, title and description, status, cost and dates are all subject to change. Please call 702-455-6000 or email [InTheWorks@ClarkCountyNV.gov](mailto:InTheWorks@ClarkCountyNV.gov) for the most current information available about a specific project.*

### BELTWAY

Project Title	District	Description	Status	Bid #	Estimated Cost*	Start*	End*
215 Beltway Airport Interchange	A	Add one lane in each direction on the 215 southern Beltway from the Airport Interchange to Windmill Ln and improvements to Warm Springs interchange.	In Design		\$ 29,820,637	Mid 2011	Pending
215 Northern Beltway - North 5th Street Interchange	B	Project involves the construction of roadway, bridge, drainage and utility improvements along CC 215 Northern Beltway at North 5th Street.	Under Construction	601946	\$ 11,880,991	11/02/2010	Late 2011
215 Southern Beltway - Windmill to Pecos	A	Project consists of repairing concrete spalling on sections of 215 Beltway between Windmill and Pecos. Includes repair of expansion joints and paving on PEBBLE, WIGWAM, EASTERN and PECOS bridges over 215.	Bid Process	602119	\$ 367,000	Early 2011	Late 2011
215 Southern Beltway / Eastern Ave Interchange Landscape	A	Landscape and aesthetic improvements within the four quadrants of the Beltway and on/off ramps with Eastern Ave. Landscape includes decorative rock, walls, native plants, boulders and pavement graphics.	Awarded/ Pending NTP	601961	\$ 976,661	12/20/2010	Mid 2011
215 Western Beltway / Flamingo Rd Interchange Landscape	F	Visual enhancement and landscaping work on CC-215 in the southwest.	Under Construction	601762	\$ 389,553	07/19/2010	12/30/2010
Northern 215, North 5th to Range Rd	B	Construct bridge crossing at Range Rd and connection to I-15.	In Design			Pending	Pending

### FLOOD CONTROL

Project Title	District	Description	Status	Bid #	Estimated Cost*	Start*	End*
Blue Diamond Wash - Wigwam/UPRR to Rainbow	A	Work includes construction of reinforced concrete box culvert, pavement markings, reinforced concrete pipe, storm drain access manholes, signage, and utility relocations.	Under Construction	601789	\$ 5,147,742	04/19/2010	12/30/2010
Carey Ave Storm Drain	B	Mitigate local drainage problems with reinforced concrete pipe from Mt. Hood west to Sloan Channel.	In Design		\$ 1,611,688	Late 2011	
Duck Creek - Robindale to I-215	A		In Design			Late 2011	
Duck Creek - Windmill to Pollock	A		In Design		\$ 2,140,585	Early 2011	Pending
Duck Creek Railroad Detention Basin	F	Flood control facilities including a detention basin, probable maximum flood spillway and other related drainage structures. Funding includes developer participation. Excavated material from detention basin will be used to construct grade separation on Cactus Ave over UPRR.	Under Construction	601530	\$ 12,954,811	11/30/2009	01/24/2011
Duck Creek-Mountain Vista St to Green Valley Pkwy	G	Improvements include construction of 60-ft wide concrete-lined rectangular channel and sloping rectangular concrete drop structures, 12-ft wide access ramp, maintenance access road parallel to Duck Creek Channel, and fencing.	Awarded/ Pending NTP	602062	\$ 7,551,551	Mid 2011	Early 2012

Flamingo Diversion - S Buffalo Branch	A	Flamingo Wash to Patrick (Sunset)	In Design		\$ 7,971,398	Late 2011	
Flamingo Wash - Nellis to US-95/I-515	E	Construction of apprx 1.25 miles of concrete rectangular channel, storm drain installation, and related. Project includes colored concrete, chain link fence, access road and trail lighting.	Awarded/ Pending NTP	602104	\$ 16,000,000	Mid 2011	Early 2012
Flamingo Wash/Desert Inn to Eastern	E	Construct a rectangular concrete channel, access ramps and maintenance roads. Project includes drop inlets, storm drain connections, roadway reconstruction and fencing.	Under Construction	601462	\$ 6,182,370	09/21/2009	12/30/2010
Flamingo-Boulder Hwy North/Sahara Ave to Flamingo Wash	E	Storm drain improvements in Boulder Hwy North from Sahara Ave to the Flamingo Wash and in Sahara Ave from Boulder to Glen Ave. Improvements consist of reinforced concrete box storm drain, culvert, reinforced concrete pipe, pavement, markings & signage.	Awarded/ Pending NTP	601953	\$ 8,958,717	Mid 2011	Early 2012
Karvel/Tunis Area Storm Drain	G	Mitigate local area drainage issue. Project begins at the SE corner of intersection of Karvel / Tunis then SE 130 ft to the north bank of Duck Creek channel and E apprx 500 ft. Construct concrete channel, drop inlets, fencing, pedestrian rail, and related items.	Bid Process	602137	\$ 272,180	Mid 2011	Pending
Las Vegas Blvd / Serene Ave Storm Drain	A	Installation of reinforced concrete pipe and related drainage facilities.	Awarded/ Pending NTP	601786	\$ 163,792	01/10/2011	02/24/2011
Linden Ave / Sloan to Madge	E	Mitigate local area drainage issue.	In Design		\$ 154,000	Mid 2011	
Lower Blue Diamond Detention Basin	A	Located in the Duck Creek Watershed near Windmill Ln and UPRR.	Under Construction	601699	\$ 2,534,148	04/12/2010	01/12/2011
Muddy River-West Levee	A;#B	Phase 1 of a flood control channel at Cooper Ave bridge to Yamashita St.	Design			Mid 2011	Pending
Olive St Storm Drain	E	Install storm drain facilities in Olive St between US-95 and Palm St to mitigate a local area drainage issue.	In Design		\$ 842,815	Late 2011	
Orchard Detention Basin - Phase I	E	Construct flood control detention basin, channel, berm and storm drain improvements on BLM land in the Sunrise Mountain Area-located near Charleston & Los Feliz.	In Design		\$ 8,292,342	Late 2011	Pending
Range Wash Channel Reconstruction VI	B	Project includes concrete lined channel improvements to Range Wash within the Nellis AFB golf course.	Under Construction	601863	\$ 1,020,955	09/27/2010	
Sunrise Ave Storm Drain - Fogg St to Clayton St	E	Install storm drain facilities to mitigate a local area drainage issue. Construct a storm drain system on LAILANI St from CHARLESTON to SUNRISE and Sunrise from Lailani to CLAYTON.	Bid Process	602136	\$ 232,125	Early 2011	Pending
Tropicana North Branch Detention Basin	G	Project includes excavation, placing embankment, finish grading, placing rip rap and gravel mulch, storm drain piping, drop inlets, fencing and other improvements.	Under Construction	601917	\$ 2,571,240	11/08/2010	
Tropicana Wash at Swenson St	E	Construct a trapezoidal concrete lined channel from east of Paradise Rd to Flamingo Rd.	In Design		\$ 8,478,875	Late 2011	

Twain Ave/Pecos-McLeod Storm Drain	E	Install reinforced concrete pipe and other storm drain facilities on Twain and Pecos-McLeod Interconnect to mitigate a local area drainage issue.	In Construction	601645	\$ 649,625	04/19/2010	08/17/2010
Windmill /Durango Sanitary Sewer Reconstruction	A;#F	Removal and replacement of reinforced concrete box culvert and associated head wall and pipe.	Under Construction	601910	\$ 97,770	12/18/2010	Mid 2011

## PAVEMENT REHABILITATION

Project Title	District	Description	Status	Bid #	Estimated Cost*	Start*	End*
215 Northern Beltway - Aliante Pky to North 5th St	B	Frontage Road Pavement Restoration. Removal and reconstruction of approx 1.3 miles of existing roadway along the northern 215 Beltway between Aliante Pkwy and North 5th Street. Improvements includes replacing pavement and installing new pavement markers and striping.	Bid Process	602804	\$ 1,285,000	Early 2011	Mid 2011
ARRA #2 Stimulus Project	A;#E;#G	Pavement Rehab construction pkg includes LAMB Blvd; PARADISE Rd; SAHARA Ave; JONES (Trop to Russell) Blvd and EASTERN Ave (215 to Wigwam). Sidewalk ramps will be reconstructed to ADA compliance standards along with new pavement markings.	Under Construction	601840	\$ 5,038,050	08/17/2010	12/30/2010
ARRA #3 Stimulus Project	A;#E;#G	Pavement Rehab construction pkg. Pulverize&Pave: PECOS Rd; DESERT INN Rd, and HACIENDA. Slurry Seal: JONES (Russell to Sunset). Includes new pavement markings.	Under Construction	601822	\$ 2,642,273	09/20/2010	01/18/2011
ARRA #4 Stimulus Project	A;#G	Pkg includes SANDHILL and PARADISE: Work performed will consist of pulverizing and blending 4" of existing asphalt concrete pavement with 3" of existing type II and placing 4" of new asphalt pavement on Sandhill Rd-Russell to Tropicana and Paradise Rd-Warm Springs to Sunset. Sidewalk ramps will be reconstructed to ADA compliance standards along with new pavement markings.	Under Construction	601824	\$ 1,763,600	07/26/2010	12/30/2010
Bermuda & Windmill	A	Pavement rehabilitation and renewed pavement markings at intersection. SB5 Urban maintenance.	In Design			Mid 2011	Pending
Desert Inn Rd / Eastern to Mojave	E	Pavement rehabilitation and renew pavement markings. SB5 Urban maintenance.	In Design		\$ 1,400,000		Pending
Hacienda Ave/Mountain Vista to Nellis	G	Pavement rehabilitation and renewed pavement markings.	In Design			Mid 2011	Pending
Hawaiian Park	E	Pulverize and Pave neighborhood roads, pavement markings and ADA sidewalk ramps on the following streets: OAHU, HONOLULU, LANAI, MAUI, HAWAII, HILO, WAIKIKI, CENTER, PEARL, MAY, JUNE, and LAUREL.	Awarded/ Pending NTP	602120	\$ 1,140,563	March 2011	May 2011
Indian Springs Roads	C	Pavement Rehab on all roads. SB5 Outlying Area roadway maintenance.	In Design			Mid 2011	Pending
Karen Ave/ Maryland to Eastern	E	Pulverize and repave roadway and renew pavement markings. SB5 Urban maintenance.	In Design		\$ 1,848,590	Mid 2011	Pending

Maryland Pky/ Twain to Sahara	E	Pavement rehabilitation and renewed pavement markings. SB5 Urban maintenance.	In Design		\$ 1,637,469	Mid 2011	Pending
Moapa Town Roads	B	Rehabilitate roadway surface and replace pavement markings on various streets in the town of Moapa. SB5 Outlying Area roadway maintenance.	In Design			Mid 2011	Pending
Moapa Valley Roads	B	Pave various gravel roads in Moapa Valley and install new pavement markings.	In Design			Early 2011	Pending
Outlying Areas Slurry Seal 2010	A;#B;#C;#E;#F;#G	Pavement rehabilitation project: Type II slurry seal and renew pavement markings in urban area neighborhoods from 2009 Slurry Seal contract, Sunrise Mountain area, Blue Diamond, Indian Springs and Mount Charleston.	Bid Process	602169	\$ 915,196	Early 2011	Pending
Russell & Valley View	G	Pavement rehabilitation and renewed pavement markings at intersection. SB5 Urban maintenance.	In Design			Late 2011	
Slurry Seal 2010: Laughlin and Searchlight Roads	A	Rural pavement maintenance includes slurry seal of residential roads and Casino Dr from Harrah's to Needles Hwy in Laughlin. in Searchlight - slurry seal of residential roads and Cottonwood Cove Rd from US 93 to park entrance.	Bid Process	602138	\$ 2,098,211	Early 2011	Early 2011
Thomas Edison	A	Pulverize and pave roadway, sidewalk ramps ADA compliant, renew pavement markings.	In Design		\$ 341,586	Mid 2011	Pending
Tropicana & Durango	A;#F	Pavement rehabilitation and renewed pavement markings at intersection. SB5 urban maintenance.	In Design			Late 2011	Pending
Windmill & 215 Southern Beltway	A	Pavement rehabilitation and renewed pavement markings at intersection.	In Design			Early 2011	Pending
Windmill & Pollock	A	Pavement rehabilitation and renewed pavement markings at intersection. SB5 Urban maintenance.	In Design			Late 2011	Pending
Wyoming Ave / Lamb to Nellis	E	Pavement rehabilitation and renewed pavement markings. SB5 Urban pavement maintenance.	In Design		\$ 426,950	Late 2011	Pending
<b>TRAILS &amp; RECREATION</b>							
<b>Project Title</b>	<b>District</b>	<b>Description</b>	<b>Status</b>	<b>Bid #</b>	<b>Estimated Cost*</b>	<b>Start*</b>	<b>End*</b>
Bunkerville Trail	B		In Design			Mid 2011	Pending
Duck Creek Trail, Wetlands Park to Nellis	G		In Design		\$ 2,288,000	Late 2011	Pending
Flamingo Arroyo Trail/Boulder to Desert Inn	E	Trail adjacent to Flamingo Wash Channel between Boulder Hwy and DI Road. Project consists of apprx 1.25 miles of 12' ft wide shared-use trail as part of the new Flamingo Arroyo Trail system.	Under Construction	601792	\$ 2,940,344	11/03/2010	Jul 2011
Flamingo Arroyo Trail/Enhancements - Ph 2	E		In Design	601468	\$ 1,523,590	11/30/2009	07/02/2010

Las Vegas Wash Trail / Christy to Charleston	E	This trail project along the Las Vegas Wash is a major component of the Las Vegas Primary Trails System and a critical link to the trails system in the cities of Las Vegas and North Las Vegas. This project will construct apprx 1/2 to 1-mile of shared use trail providing a 10-12 ft wide bike & pedestrian trail on the east side of the LV Wash.	In Design		\$ 4,243,164	Early 2011	Pending
Las Vegas Wash Trail / Karen to Christy	D;#E	See Las Vegas Wash Trail / Charleston to Christy	In Design		\$ 2,076,310	Early 2011	Pending
Las Vegas Wash Trail / Owens to Lake Mead	B;#D	See Las Vegas Wash Trail	In Design		\$ 1,369,902	Mid 2011	Pending
Laughlin Regional Heritage Greenway Trail	A	This project will complete the multi-use trail system with two trail connections to the Laughlin Regional Park and the Laughlin North Reach Trailhead by renovating the North Reach into a day-use park with visitor amenities such as cultural and recreational information hubs, multi-use and equestrian trailheads and trails, restrooms, shade structures, benches, dock and interpretive signage. Project is bordered by SR163, Davis Dam access road, Colorado River, and Clark County near Casino Dr.	Under Construction	601888	\$ 17,692,269	12/30/2010	Nov 2011
Lower Flamingo Detention Basin & Tropicana-Decatur Park	F	Project is the construction of a park and detention basin. The work for the park includes asphalt paving, concrete sidewalk, grading, drainage, curb and gutter, utility services and relocations, landscaping, irrigation, retaining walls, fencing, restroom buildings, shade structures, park amenities and a maintenance building. The work for the detention basin includes grading maintenance access roads, drainage channels, box culverts, inlet and outlet concrete structures, wetland plantings and berms, fencing and gage station enclosure.	Under Construction	601942	\$ 13,705,411	12/06/2010	Mid 2012
Moapa Valley Trail - Phase 1	B	This trail project is located in the old Logandale portion of northern Moapa Valley. This project includes the construction of approximately five-seven miles of multi-use trail in the vicinity of the existing Clark County Fairgrounds. This trail will have an OHV component to it. It will connect Bowler Elementary School to Moapa Valley High School and the Fairgrounds.	In Design		\$ 2,288,000	Mid 2011	
NW/SW Equestrian Trails	C;#F		In Design		\$ 864,000	Mid 2011	
Searchlight Trails, Phase I	A	Construct a looped 1/2-mile long, 10 ft wide concrete multi-use, landscaped trail and 1/2-mile of 6 ft wide concrete pathways. Project is adjacent to existing Searchlight Community Center.	Under Construction	601889	\$ 695,694	11/15/2010	02/13/2011
Sunset Regional Park Improvements - Ph 2	A	Renovate and enhance apprx 75 acres of the 325 acre park. Improvements include site lighting, trees, boulders, signage, exercise equipment, play equipment, structures, and hydrants. This phase will demolition existing pool and building. Also includes paving and striping of adjacent Sunset Rd and bus turnout construction.	Bid Process	602178	\$ 11,444,913	Mid 2011	

Tropicana/Flamingo Wash Trails - Ph II	F	This project will convert existing maintenance access roads along the channels into viable urban trails; give direction for onstreet connections; and provide new asphalt surface to make a continuous network of trails.	Awarded/ Pending NTP	601921	\$ 812,000	12/06/2010	
Wetlands Park - Pabco and Wells Trailheads	G	Project consists of two trailheads within the lower portion of the CC Wetlands Park. Trailheads will be ADA compliant with parking, restrooms, shade structures, equestrian accommodations and other amenities.	Bid Process	602132	\$ 1,747,750	Early 2011	Pending
Wetlands Park Perimeter Trails	G		In Design		\$ 2,600,000	Late 2011	
Wetlands Park Scenic Route - Ph 2	G		In Design		\$ 8,600,000	Late 2011	
<b>ROADWAY</b>							
Project Title	District	Description	Status	Bid #	Estimated Cost*	Start*	End*
Cactus Ave Interchange at I-15	F	NDOT to Build a single-point, urban diamond interchange at Cactus Ave from Las Vegas Blvd to Dean Martin.	In Design			Pending	Pending
Cactus Ave/ Rainbow to Maryland-Phase II	F	Construct a Union Pacific Railroad grade separation with a four lane bridge over the railroad and install a traffic signal at Cactus/Rainbow intersection.	In Design			Early 2012	Pending
Casino Drive / Harrah's Driveway to SR 163	A	Improve roadway including curb and gutter, sidewalk, cross gutter, sidewalk ramps with tactile warning panels, pavement markings, and permanent signs, medians and irrigation/electrical for future median landscaping; modification of traffic signals.	Under Construction	601456	\$ 10,434,676	05/03/2010	
Desert Inn Deck	E	Construction of a bridge deck over Desert Inn SuperArterial. Improvements consist of a bridge deck structure expanding the existing DI tunnel, tunnel lighting improvements and dynamic message board upgrades to LED and FAST network integration.	Under Construction	601861	\$ 3,576,822	09/27/2010	
Durango Dr / Windmill to Blue Diamond	A;#F	Construct to 6 lane roadway.	In Design			Pending	Pending
Hacienda Bridge Repair over UPRR	G	Repair of the approach slabs, barrier rails, and install of new expansion joints.	Bid Process	602164	\$ 313,919	Early 2011	Pending
Harmon Ave / Decatur to Valley View (Wynn)	F		In Design		\$ 5,523,000	Late 2011	Pending
Harmon Ave/UPRR Grade Separation	F;#G	Improve access throughout Resort Corridor creating a continuous east-west connection. Multi Phase project that will construct six lanes on Harmon Ave from LN Blvd to Koval Ln. Provide a Harmon Ave crossing over Flamingo Wash to complete connecting from Arville St to Wynn Rd. Improve Harmon Ave Between Jones Blvd and Decatur Blvd. Project is under design with plans @ 90%. At this time, funding is not yet available for construction.	In Design			Mid 2011	Pending
Las Vegas Blvd / Silverado Ranch to Sunset	A	Project includes construction of improvements to widen and restripe Las Vegas Blvd to six lanes with median islands, intersection improvements and modification of traffic signals add dual left turn lanes at 215/15 EB exits ramps.	Under Construction	601643	\$ 4,126,185	08/15/2010	Mid 2011

Marion St / Vegas Valley to Karen	E	Roadway construction and improvements on Marion St, Karen Ave, Twinview Cir and Cliffview Cir. The improvements will generally consist of pavement widening and rehabilitation work; sidewalk, curb & gutter; pavement markings, signage, & streetlights and block wall.	Bid Process	602072	\$ 382,605	Early 2011	Mid 2011
Maryland Pky/ Pebble to St. Rose	A	Widen to 6 lanes.	In Design			Pending	Pending
Median Islands	A;#E;#G	Install new median islands at CHARLESTON / SLOAN; JONES/MAULE, and on WINDMILL/ BERMUDA to AMIGO.	In Design		\$ 255,000	Late 2011	Pending
Paradise Rd/Harmon to Desert Inn-Ph 3A- SANDS TO DI	E	Widen Paradise Rd from Sands to Desert Inn. Improvements include replacing pavement; curb & gutter, sidewalk, median islands, storm drains & drop inlets, landscaping, modification of traffic signals and add thru lane SB of DI.	Under Construction	601444	\$ 3,780,846	06/21/2010	Mid 2011
Rainbow Blvd Widening - 215 Beltway to Hacienda	A;#G	Widen Rainbow Boulevard.	In Design		\$ 370,000	Late 2011	Pending
Rainbow Blvd/ Cactus to Blue Diamond	F	Construct 6 lane roadway.	In Design			Pending	Pending
Spencer St / Robindale to Warm Springs	A	Street improvements, add center left turn lane.	In Design		\$ 320,000	Late 2011	
Sunset Road - Decatur to Valley View	A;#G	Construction of Sunset Rd includes underpass at UPRR crossing, bridge structure, grading and drainage, asphalt paving, traffic signals, signage and striping.	Awarded/ Pending NTP	602108	\$ 18,000,000	Mid 2011	Late 2012
Tropicana Ave / Hualapai to Fort Apache	F	Construct to 6 lane roadway.	In Design			Pending	Pending
Valley View Blvd / Cactus to Silverado Ranch	F	Construct new roadway connection.	In Design		\$ 1,000,000	Mid 2011	Pending

## TRAFFIC

Project Title	District	Description	Status*	Bid #	Estimated Cost*	Start*	End*
ARRA #6 Stimulus Project	E;#G	Retrofit of mercury vapor streetlights in residential areas with energy-efficient induction technology street lighting. Funded by ARRA DOE Energy-Efficiency and Conservation Block Grant.	Under Construction	601776	\$ 1,600,000	09/15/2010	
Badura & Decatur	G	Traffic signal system.	In Design			Pending	Pending
Buffalo & Warm Springs	A	Installation of a traffic signal system at the intersection of Buffalo & Warm Springs. Project also involves pavement widening, pavement markings and signage.	Bid Process	602153	\$ 444,102	Early 2011	Pending
Cameron & Hacienda	G	Installation of a traffic signal system at the intersection. Project includes new pavement markings and signage.	Under Construction	601885	\$ 384,410	11/08/2010	12/23/2010
Conquistador & Hacienda	F	Install School Flasher.	In Design		\$ 100,000	Late 2011	Pending
Decatur & Tropicana	F;#G	Traffic signal modification.	In Design		\$ 478,076		Pending
Fort Apache & Sunset	F	Design of the traffic signal for Fort Apache/Sunset is still pending due to developer and right-of-way issues.	In Design			Pending	Pending
Gillespie & Silverado Ranch	A	Install new Traffic Signal System.	In Design		\$ 800,000	Mid 2011	
Hollywood & Carey	B	Traffic signal system, new signage and pavement markings.	Completed	601644	\$ 253,000	04/08/2010	06/04/2010
Hualapai & Twain	C;#F	Traffic Signal System.	In Design			Pending	Pending
Las Vegas Blvd & Serene Ave	A	Traffic signal system installed with Las Vegas Blvd widening project.	In Construction	601643		07/07/2010	Mid 2011

Paradise & Sierra Vista	E	Traffic signal modification included with Paradise Rd project.	In Construction	601444		06/21/2010	03/30/2011
Parkdale Streetlight Modernization	E		In Design		\$ 705,393	Early 2011	
Red Rock Ranch & Desert Foothills (W. Sahara)	F	Install new Traffic Signal System.	In Design		\$ 500,000	Late 2011	
Russell & Torrey Pines	G	Install new Traffic Signal System.	In Design			Mid 2011	
Streetlight Modernization: Parkdale & Horizon Park	E;#G	Project replaces overhead and underground series streetlighting circuits with multiple circuits. Replacement of poles, foundations, and install of new luminaires.	Bid Process	602157	\$ 525,112	Early 2011	Pending
Traffic Signal Maintenance		Annual contract for emergency traffic signal repair on an as needed basis. Includes removal/replacement of signal poles, foundations, traffic and pedestrian signals, video detection camera, streetlight luminaires at traffic signals, D3 illuminated street name signs, pedestrian push buttons, traffic control cabinets, loop detectors, etc.	In Design	601870		Pending	Pending
Traffic Improvement Projects - STRIPING	A;#E	Striping projects in design: RUSSELL/Miller to Buffalo; DESERT INN/ Nellis to Blue Ash; POLLOCK/ Pebble to Pyle; BERMUDA/ Pebble to Silverado; SERENE/ Bermuda to Maryland.	In Design		\$ 85,000	Late 2011
